I am honored to serve as a reference for Jessica Kelley who was a student teacher in my 2nd grade regular education classroom during the 2018-2019 school year at Greenville Elementary School in the Greenville Area School District. In my time of observing and working with Jessica, I am confident to say that she is a dynamic and well-rounded educator. Jessica would make an incredible addition to any school district in which she works. She is an individual who possesses a tenacious passion for education and has a dedication to serving students, school, and community.

Jessica has experience in both regular and special education elementary classrooms. She is knowledgeable in various areas of education and implements this knowledge well. In my regular education classroom, Jessica utilized individual student programming, differentiated instruction, educational standards, and even rules and regulations regarding all students.

Jessica is a team player and worked well with the second grade team at Greenville Elementary to create plans to address specific student and grade level needs. She demonstrated wonderful relationships with the students and used positive reinforcement to motivate them.

Jessica is an individual who goes above and beyond the typical scope of her job description and she genuinely cares about her students. It is without any reservation that I recommend Jessica Kelley for a teaching position in your school district. If I can be of any further assistance please call me at Greenville Elementary at 724-588-2500 ext. 1141.

Sincerely,
