RE: Jessica Kelley

To Whom It May Concern:

It is my pleasure to offer this letter of recommendation for Jessica Kelley. Jessica is currently pursuing her dual certification in the Education Department in preK-4 Early Childhood Education and preK-8 Special Education with a 3.75/4.0 GPA.

Aside from being an excellent academic student, Jessica excels outside of the classroom as a member of the Thiel College Women's Softball and Volleyball teams. Jessica has served as a summer camp counselor at the Kidsprout Learning Center and the Youngworld Children's Center.

Jessica consistently exceeds expectations in everything that she does. She has had multiple field experiences across various grades and subjects. Jessica will create standards based engaging lesson plans integrating technology and employing research based instructional strategies to increase student achievement. Jessica possesses an extremely strong work ethic and maintains a very high expectation for herself. She is a member of multiple honor societies on campus.

As a former principal and assistant superintendent, I strongly suggest Jessica for your consideration. I am available for additional commentary if you wish at 724.589.2081 (office) or 724.854.2424 (cell).

Sincerely,

A handwritten signature in cursive script, appearing to read "D. R. Hazlett".

Douglas R. Hazlett, Ph.D.  
Chair and Professor  
Education Department
